Description of habitat:

Pond, stream, pool, flatwoods
ect. Describe

Part of Habitat:

Kind of bottom, depth
of water, amount of veg-
etation, etc.

1. Columbia Springs (Santa Fe) (A)
2. Rattle Snake Branch St Rd #2 (B)
3. Creek Green Sink. (D)
4. Glen Springs (C)
- 5.

1. Crayfish collected Columbia Springs
March 1931. Taken from bottom
& rock crevices of bottom. ^{water} about
3 feet deep. Clear water.

2. Crayfish from Santa Fe River
just below bridge - St Road # 2.
(by Columbia Springs) - March - 1931.
Edge of River, water less than
1 foot deep - among rocks & roots
of trees.

3. Crayfish from Glen Springs
above dam - September 22,
1933 -

2♂ + 1♀

4. Crayfish from Rattle Snake Creek
below bridge - St Road # 2 - Sept
23, 1933: Sunny bend in creek.
beneath board in clear, swift water.
depth 6" - Sandy bottom - with a drift
of leaves against board. (Time 11:30 AM)

5. Crayfish from Green-Sink Creek

Sept 23, 1933, Shady, clear, swift water
depth 6" - Edge of creek in decaying leaves
Sand Bottom. (11 A.M.)

6. Crayfish from Alexander Spring creek

Nov 3, 1933, - Marion County -

Clear water - 1 ft. deep and
under the bridge.

Kilby, Brannen, Carr

7. Crayfish from Creek near Burnetts Lake

Nov 12, 1933 - Alachua Co. Small

flatwoods creek. Clear water.
under leaves and other debris.

Horton Hobbs. W. Brann.

8. Crayfish from Alexander Spring Creek

Nov 10, 1933 - Marion County - Caught in

copulation 1 ♂ Hyacinth root -
in the middle of the river -
Clear water.

- Carr -

9. Crayfish from Manatee Springs & Pond - 2 mi

S of Manatee Springs - Levy & Dixie County

October 29, 1933 - Kilby - Brannen & Carr.

Burrowing forms - Pond 2 ft
deep. Same from under
logs on side of the river.

10. Crayfish from Waughberg Lake
Jan 6, 1934 at 2:30 PM. on East side
water dark, leaf debris, depth 1 to 2 feet.

11. Crayfish Loreya Ravine at Rock
Bluff - Nov 18, 1933. (Rogers, Sadler)
In small creek under vegetation,
boards and logs.

12. Crayfish - Hatchet Creek 5/2/30
By Bess.

13. Crayfish Dug at 2 miles north
of Orange Heights - Impound. (Carr Rogers)
where sand for road had been
dug - Burroughs 1 ft deep and
horizontal Nov 19, 1933.

14. Crayfish - Pond C.

no data. Woody pond very shallow water.

15. Crayfish - Hatchet Creek Oct 6, 1933
In water plants along side of stream Sandy Bottom water 6"-18"

Hobbs -

16. Crayfish - Hog town Creek
at the foot of Michigan
Avenue. 2/19/34

Rogers + 402 class.

17. Crayfish from - Stephens Springs
3 mi north of Alachua. Small
spring in Rocks + Clay with Leaves.
1 male taken 11/25/33

18. Crayfish from Lake Bradford
Slough - Tallahassee Fla - Leon
Co. Creek drying up. Found under
boards and in tin cans filled
with water. Jan 28, 1934.

19 - Crayfish from 5 miles
of Gainesville on Orange Heights
road - In creek. 2/22/34
A. J. Carr Jr.

20. Crayfish from Santa Fe
River at Barker Rapids above
bridge on Ft. White road.
Among rocks and vegetation
4 mature ♀ & 3[♀] with eggs - 5 imm
ature females - 1 immature ♂.
4 mature ♂. 1/27/34

21 - Crayfish from Lime Sink -
Edge of deep clear water (stale
however) in leaf debris. One
male & one female. 2/24/34
(Fallax)

22. Crayfish from Pond back of
Spencer house - off Road #2
between Alachua & High Springs
Trees with ariel roots extending
into water & Crayfish taken
under these roots. 2/24/34.
(Fallax)

23. Crayfish from Santa Fe
River from Oak Springs Dam

and Parker Rapids. 2/24/34

24. Crayfish from Birens Arm
Collected by Dr Rogers & 402 Class.
2/26/34

25. Crayfish from. Pond C.
Collected by Dr Rogers & 402 Class
3/5/34. Pond C.

26. Crayfish from Drifton Fla.
2 mi south of Monticello in Jefferson
county. Clear water in veg
in overflow creek. On Perry road
under the overpass. III/10/34

27. Crayfish from Monticello one
mile E. on Tallahassee road just
other side of underpass near
the R.R. Station III/10/34

28. Crayfish from Branford, Fla.
in spring at Branford. Clear
water in vegetation & rocks.
III/11/34

C. Talley (Spec. Spoiled)
29. Crayfish from Spring
on S. E. side of Gainesville
in leaf debris and mud
in bottom depth about
1 - 1 1/2 ft. III - 16/34

30. Crayfish from Orange
Lake at Landing near Boardman
III - 11 + 34 A. Carr, Bellamy, McClanahan

31. Crayfish from small brook
4 mi W. of Umatilla. They were
taken from sphagnum bog.
Carr & Jackson III - 3 - 34

32 Crayfish from Hernando's Lake
right at the Station III - 4 - 34
Taken in seine - Hilkey.

33. Crayfish from Hatchet Creek
III - 6 - 34
Bellamy & Carr.

34 Crayfish from Tallahassee
IV - 16 - 34 Two miles S. of
Tallahassee in mud puddle
Bellamy

35. Crayfish from Pfeiffer's Creek
Pensacola, Escambia - Several
miles n. of Pensacola - Near mill-
pond. Left of road. In low marsh
Burrows 2-3 ft. deep. Water several
inches in bottom chimney 2"-5"
April 6, 1934 Hobbs & Bellamy.

36. Crayfish from Lake Bradford
Slough, Leon Co. Tallahassee, Florida
April 14, 1934 - In tin cans and
under logs. One with eggs.
Bellamy.

37. (?) from Haulover Canal
Between Marquies Lagoon and
Indian River - Brevard Co. April
21, 1934.

Sam & A. F. Carr Sr.

38 Crayfish from Creek E. of
Gainesville April 16, 1934

Wallace & 102 Class.

39. Crayfish from backwater
in River E. of Crestview - Water
clear with muddy bottom -
April 5, 1934.

Kilby, Wallace, McClannahan, Bellamy & Hobbs

40. Crayfish from Small River
E of Crest view. One small
male probably mature however
one very small & burrower
in bank of River - chimney
2" - 3" high - These are in cat #
39 Little-Labeled cat # 39
April 5, 1934. Hobbs -

41. Crayfish from Bayou Marquis
4 miles N. of Pensacola.
These were all taken in a
seine. April 6, 1934
McClannahan & Hobbs.

42. Crayfish from Stick River
W. of Pensacola in the small
creeks and one Burrower - in
shallow pool also. April 6, 1934
Bellamy & Hobbs.

#3. Crayfish from Magnolia
Creek in Quincy. In the bottom
of hole under leaves. Clear water
April 5, 1934 Bellamy & Hobbs.

#4. Crayfish from a small
creek at Riverview, several miles
out of Pensacola. Creek about 50
ft from bay - empties into small
pool. April 7, 1934.
Hobbs.

#5. Crayfish from Hog & Sandy
Creek 10 mi E of DeFuniak Spgs.
in Holmes Co Sandy bottom creek
with clear water - In roots & under
boards. April 8, 1934 Hobbs.

#6. Crayfish from an overflow
pond of Holmes Creek
Water Clear 1-1½ ft deep.
April 8, 1934 Hobbs.

#7. Crayfish from Jacksonville

April 22, 1934 Bellamy.

48 Crayfish from Silver
Springe Florida - caught
with light after night - April 26, 1934
C. troglodytes George Van Hyning.

49 Crayfish from Marshy
pond near Silver Springe
after night May. 3, 1934
C. troglodytes George Van Hyning.

50 - Crayfish from Edge of
Cypress Swamp 10 mi E. of
Silver Springe April 25, 1934
C. fallax George Van Hyning

51 - Crayfish from Cross Creek
Between Loch Loosa & Orange Lake
May 10, 1934
A. J. Carr Jr.

52 - Crayfish from Pond A.

L. G. + Alexander.

53. Crayfish from Camp Foxaway at foot of Mountain between Brevard and Highlands, N.C. Beneath rocks in water about 6" - 1' deep. Clear swift flowing mountain stream. Rock & Sand bottom - Caught in net and by hand.

Transylvania Co. N.C. June 8, 1934

Horton Hobbs.

54 Crayfish from Camp Foxaway at fast stream just below Cash's Cash store up on base of Mt. Foxaway on Road to Highlands from Camp Foxaway Small Creek - sand & rock bottom - Under rocks.

Transylvania Co. N.C. June 9, 1934

Horton Hobbs.

55. Crayfish from Primverial Forest in clear shallow stream 4" deep Under large stones near Highlands, N.C.

Macon Co. N.C. June 11, 1934

Horton Hobbs.

56A Crayfish from Lake on West side
of town. Water one foot deep - Sandy
bottom - day cloudy - Under large board
water clear. Largest crayfish in this
bottle came from #53 but on June 12, 1934
Highlands, Macon Co. N. C. June 12, 1934
Horton Hobbs.

56.B Between Caesars Head and Greenville
first stream below fountain about
1½ miles below Caesars Head. Under
board at base of small falls - Sandy
bottom water 6" deep.
Greenville Co, S. C. June 8, 1934
Horton Hobbs.

#7. Same as 53 except June 10, 1934
Horton Hobbs.

58 Crayfish from Small Creek -
outlet of Ravinul Lake - water 6" deep.
Some from spring 1-1½ ft. All
water clear. swift cold water.
Macon Co. N. C. June 8, 1934
Horton Hobbs.

59. Crayfish from "Road from
Travelers Rest and Caesar's Head.
First water fall - under Rocks in
eddy below falls - Clear water $1\frac{1}{2}$ -2 ft
deep. Bottom Rocky slight sediment
all came from under rocks however.
Greenville Co. S.C. June 7, 1935.
Horton Hobbs.

60. Crayfish from Tarrega Ravine ^{L.H.}
at head of creek (spring) Taken
from under the rocks - In visal
one burrow in wall about 2 ft
deep. Temp of water 19.9°C pH. 7.4
Same number as E10. April 10/1935
Hobbs

61. Crayfish from plain about
 $3\frac{1}{2}$ mi N. of Blountstown - Blount
from 1-3 ft deep on E side of Road
About 2 P.M. April 12, 1935
see E11 Hobbs & Rogers

62. Crayfish from Blue Springs
Creek at Marianna about $\frac{1}{4}$ mile
south of power dam. Water
clear and cool. C.C. were dug

from burrows about 1 foot
deep in creek bed and *C. ortmanicus*
were taken from water 5/12/35.
(E12) Horton Hobbs.

63 Crayfish taken around
Rocks at power dam at night
water 1-4 ft deep - 5/12/35
Temp outside 52° E13 Blue Springs Creek at Mariana
Horton Hobbs.

64. Crayfish from Blue Springs
7 mi N.E. of Mariana taken in
day wandering over rock near
cave. - Water 20°C + 7.5 PH - Air
14°C. Also some Amphipods in
grass in large spring - 4/13/35
(E14) Horton Hobbs.

65 - Crayfish from Rattle Snake
Branch - Same as H# only caught
at night - *C. troglodytes* 5/14/35
Hobbs + Kilby.

66- Crayfish from Newman
Lake at Biological Station -
5/9/35 C. Fallax Kilby -

67- Crayfish from Santa Fe
River at Poe Springs 2 ♂
specimens 5/21/35 Hobbs

68. Crayfish from Santa Fe
River at Warthington Springs
11/10/33 Giovannoli.

69. Crayfish from Road Side
Gard in Sarasota county.
11/10/24 Carr.

70. Crayfish from Hale's Landing
Bayne's Prairie
10/14/33 Carr.

71. Crayfish from Santa Fe River
at Bridge N. of Loquese - Alachua
Florida. 3/6/34 H. W. Van Hyning.

72 - Crayfish from Rifle Range
Grand U. of F.
3/4/35 J. D. Kelley.

73. Crayfish from Deep Ravine
in High Hammock near Quincy,
Florida (date?) Kelley.

74. Crayfish from Cape Sable
taken from Dried up well
Feb 7, 1935
Bellamy.

75. Crayfish from Swamp pond
and Creek near Orange Heights
Florida. Water very dark brown -
Hot and about 2 ft deep in pond.
One ♀ Burroughing spic. taken. The
others taken from Creek - One
moulting to Form I, Aug 15, 1935
Rogers & Hobbs.

76. Crayfish from a small creek
near Hackett Creek on the
Gainesville, Orange Hts. Rd. Dip
net used. Aug 15, 1935.
Immature Inst. Rogers-Hobbs.

77. Crayfish from Jarreya
Rapine - Lady Drift - Stream
Liberty Co. Fla. May 6, 1933
Rogers.

78. Crayfish from ~~Atter~~ Wadley
Ga - Burrroughs Farms about
1 foot deep near pitcher plants
6 mi N. of ——— June 15, 1934
Hobbs.

79. Crayfish from Camp Jarreya
April 12, 1930
Unknown

80 June 28, 1935

Diler Co, Va.

Small creek on S.E. side
of Bald Knob at Mt. Lake, Va.
Collections made by overturning
rocks - Several 1st form males
1 female with eggs. Hobbs.

81 June 21, 1935

5:30 P.M.

Co, N.C.

Sylvia - Collecting in Creek
1.5 ft wide rather swift and

shallow - Crayfish taken under rocks - In small steep tributary and falls, several were taken in water and among rocks out of water where moist. Hobbs

82 June 22, 1935

Sullivan Co. Tenn.

On State Highway No 19
9.7 mi. S of Bristol City Limits.
Crayfish were taken by turning rocks - Water slightly muddy.
cold - swift, shallow, rocky stream
Hobbs.

83 June 25, 1935

Giles Co, Va

Mt. Lake. Collections made
on N. W. end of lake where creek
flows out - Overturning rocks - bank.
Hobbs.

84 July 7, 1935

Giles Co, Va

On W. Va road from Mt.
Lake Bly. Stat. Crayfish in
Little Stony. Overturning rocks
Hobbs.

85

July 12, 1935

Craig Co, Va

Collection made in
Craig Creek under rocks - Turn
off on Rd 621 from Blacksville,
Newport road about 10 mi
down 621. Hobbs

86

July 15, 1935

Giles Co, Va.

Collection from Mud
Branch between Station &
Lake. Two females with eggs
Male form I Vert. Class.

87

June 23, 1935

Giles Co, Va

Mt. Lake Biological
Station - Collecting in small
creek very shallow and cold
under rocks - Mud Branch.
100 yds S. of station.

88

July 1935

Crayfish from river at
Dr. Burch.

89 June 29, 1935
Giles Co, Va

Cascades on Little
Stoney about 7 mi from
Station - Caught on Hobbs line
Water 4-6 ft. Hobbs.

90 July 8, 1935
Giles Co. Va.

Mt. Lake drain creek
at N.W. corner of Lake. Crayfish
under rocks. Hobbs.

91 July 18, 1935
Giles Co, Va

Cascades on Little
Stoney -
Vertebrate Class.

92 June 23, 1935
Giles Co, Va

Under rocks in creek
Hunters' Branch about 400
yards from Station S.
Hobbs

93 June 26, 1935
Giles Co, Va

Same as #92
male 1st form & moulted.
Hobbs.

94 August 1-14, 1935

Creek near Harrisonburg
Va. E. M. Sch.
A. Hastetter

95 July 20, 1935
Va

From mouth of Craig's Creek
Gregory.

96 March 25, 1935

Alachua Co, Fla.

Crayfish from Cave in
Old River Bed 3 mi W. of High
Springs on High Springs Branch
Perry Road. about 20-50 yds from
Railroad. Hobbs

Alachua Co Florida - June 20, 1935
Hobbs.

98 August 2, 1934

Liberty Co, Florida

Taken in burrow 18" deep
and below water table - flat
hard pan pine woods. D. Kilby
Co. N.B. Near N.C. Line on
Quincy - Hasford Road.

J. D. Kilby.

99. Sept. 18, 1935

Liberty County, Florida

Taken with hands from Roadside Ditch
near CCE camp 1439 at Vilas, Florida

J. D. Kilby
